Immunization Guidelines
for Florida Schools and Child Care Facilities
2010-2011 School Year

Proof of completed immunization will be required before beginning school on Wednesday, August 18, 2010. If you have any questions, please contact your child's pediatrician.

All new students are REQUIRED to submit the following before school begins Wednesday, August 18, 2010:

Birth Certificate
Florida Physical Examination Form. This form is provided by your child's pediatrician
Florida Immunization Record (Form 680) This form is provided by your child's pediatrition.

All returning students are REQUIRED to have the following current before the start of school:

Florida Physical Examination Form if more than two years since their last physical
Florida Immunization Record reflecting any additional or required shots

Summary of Immunization Changes for School Year 2010-2011:

Immunization (Form 680) must show documentation that the student has met the following state requirements:

Entering Pre-K and grades 3-8: One dose of Varicella Vaccine (or date child had disease on Form 680)

Entering Kindergarten and grades 1 and 2: Two doses of Varicella Vaccine (or date child had disease on Form 680)

GRADES SEVEN AND EIGHT
Children entering, attending or transferring to seventh and eighth grades will be required to have completed:

Tetanus-diphtheria (Td or Tdap) booster

Td is required if at least 5 years have elapsed since the last dose of DTP or DT was administered.
