

Dear Parents,

We know that you have already marked your calendars for the annual benefit party "Boot Scoot & Boogie" on Saturday, March 27, 2010. Now it is time to assemble the popular class baskets that have always been such a big success.

The Auction Committee has identified a theme for two baskets, for grades six, seven, and eight combined. We will happily accept a donation (payable to St. Mary's Parent's Association) that will be used toward purchasing items for the baskets.

Collection folders will be placed in each homeroom next week, and we hope to receive all contributions by March 5th. Please feel free to contact me with any questions.

Thank you for your donation!

Margaret Ward

Class Basket Coordinator

6th thru 8th Grade: Treasure Chest

There will be two baskets to encompass the 6th through 8th grade classes, one for boys and one for girls. The "loot" inside each treasure chest will be gift cards to all the favorite spots in town. Who wouldn't want a wallet full of gift cards to restaurants, nail salons, entertainment venues (like Adrenalina, bowling alleys, and movie theaters), shopping spots such as International Plaza or Sports Authority, and so on? Please send a donation and we will purchase the cards. These baskets are sure to be a big hit!
