

LOOK WHAT'S COMING TO OUR SCHOOL!

Dear Parents:

This is to let you know that our school has teamed up with Original Works – the #1 art based program in the country – to offer a very special program that allows you to have your child's very own artwork reproduced into a number of professional, full color products. These products range from magnets, mugs and mouse pads to t-shirts, tote bags and tiles.

Your child will be creating their artwork in school, using the regular art curriculum as the basis for their work of art. A large magnet will be made from this artwork and sent home for your review. You may purchase the magnet, return it without obligation and/or purchase a variety of other products featuring your child's own artwork.

These products make great gifts for Mother's Day!

We are thrilled to be participating in this unique and innovative program. Look for complete program, product and pricing information coming soon. Additional product and program information as well as customer testimonials can be found at www.originalworks.com.
