

"100 POINTS PLUS" AR AWARDS 2010-2011

Students earning 100 or more points in the Accelerated Reader program will receive awards in Assemblies on September 17th, November 19th, February 11th, & May 13th. Parents are welcome to join us. Students can determine points for their all inclusive total on the computers at school.

Happy reading!

Reports will be run a week ahead to allow time to determine the award winners and prepare the awards, so the *deadline for reaching these goals* will be one week before the AR Awards Assembly date. For more detailed information, check the AR Folder in First Class.
