

# *Wednesday Packet Information*

**Thanks for helping us conserve! Get all your information in First Class!**

Our first Wednesday Packet of the year is sent home to all families who are new to St. Mary's or who have requested a hard copy. As many of you already know, information sent in the weekly "Wednesday Packet" is also found in the Wednesday Packet folder on your First Class desktop. A weekly email is sent out to all parents describing the items included in that week's packet. In an effort to save paper, a hard copy of the Wednesday Packet is sent only to those families indicating that they wish to continue receiving it.

If you wish to receive a hard copy of the weekly Wednesday Packet, please return this form to the school office by **Friday, August 27th**. A hard copy will then be sent home with your youngest child each week.
